

As a developer with 13 years of experience, I design and develop modern, innovative, and intuitive web applications to best meet user needs.

Rigorous and detail-oriented from design to production, I am committed to delivering efficient, sustainable, and reliable solutions.

My experience allows me to confidently embrace the changing nature of the software development profession. I aim to contribute to meaningful, ethical, responsible, and sustainable projects.

{} Professional Experience

Lead Full-stack Developer  
Kozea, Lyon

2022 - 2026

Continuous improvement of a software suite for pharmacies:

*Pharminfo.fr* / *Kabeo* / *Promomaker.fr*
